

Forester Athletic Network

TRADITION

Athletics has always been a great tradition at Lake Forest College, and in the spirit of that tradition, the College invites you to join the Forester Athletic Network—an organization, established in 1995, of alumni, family and friends with a special interest in athletic programs at Lake Forest College. The primary mission of the F.A.N. Club is to promote school spirit, increase attendance at sporting events, and build enthusiasm for Forester Athletics. The F.A.N. Club coordinates social activities and keeps members informed about upcoming events, season results, and other Forester athletic news. The secondary mission of the F.A.N. Club is to raise funds for special projects that enhance the College's athletic programs and facilities.

DUES **There are two ways to support F.A.N.**

Membership Club:

Please note that Membership Club dues do not provide direct financial support to Lake Forest College athletic programs; they simply help keep the organization running and make it possible for you to be eligible for certain privileges. In accordance with the 1993 tax law, these dues are not tax deductible because you will be receiving goods or services in exchange for payment.

Individual \$30

Individual membership entitles you to the privileges stated above.

Family \$50

Family membership entitles you to exactly the same privileges—you receive two promotional gifts, one subscription to the newsletter, etc., but it makes sense if you have two or more people in your family who would like to attend athletic events.

Gold \$100

Gold members receive the same privileges as a family membership plus an additional annual promotional item, i.e. wastebasket, BBQ tools.

Contributors' Club:

A portion of these membership dues are tax deductible as the contributions beyond Gold Club membership will provide direct financial support to special projects that enhance the College's athletic programs and facilities. This membership includes the same benefits stated in the Gold Membership plus:

- A Forester "Contributors" pin
- An invitation to a special event hosted by the athletic director
- An invitation to the 19th Hole Reception

The first \$100 of each category will go directly to support of the F.A.N. Club. The College will issue a receipt for the amount given in excess of the \$100 Gold Membership fee.

Captains' Club \$250

Coaches' Club \$500

Directors' Club \$1,000
