

Setting the Stage

Goal: Students will get a better understanding of the situation of the Axis and Allied Powers before the start of WW II and the rise of Fascist and Imperialist States.

Objectives: Students will-

- Analyze events in their chronological order in order to set up a framework for the unit using a timeline.
- Compare Visual Images with the terminology of the unit.
- Redefine in their own words the terminology of the unit.
- Locate and identify the needs of the countries compared with the limitations of the Treaty of Versailles.
